Certificate Holders are requested to send the Debentures and Stock Certificates which they hold to this office after drawing interest on bonds for the half-year ending 30th June 1934, with the following discharge certificate duly recorded on the back.

"Received the principal of this Debenture or Stock Certificate" as the case may be.

.....
(Holder's signature)

After necessary examination of the documents in this office and in the Office of the Comptroller, they will be returned to the holders with the necessary authorisation for payment of principal at the treasury at which interest thereon was being paid. Bonds bearing authorisation may then be presented at such Treasury and payment received.

The interest on the Debentures for six months, *viz.*, from 1st July 1934 to end of 31st December 1934, will be drawn by the holders direct from the Treasury as usual on a separate voucher (printed interest receipt form) along with the principal for the interest due on the Stock Certificate for this period, interest warrant will be issued as usual by the President in favour of the holders.

No interest is due on these Debentures and Stock Certificates on and after 1st January 1935.

Temporary receipts will be issued by this office in exchange for the Debentures or Stock Certificates tendered for repayment and these receipts should be surrendered when Debentures or Stock Certificates are returned to the holders duly authorised for payment.

The holders should invariably state in their application the name of the Treasury at which interest was being drawn, so that payment of principal may be authorised at such Treasury.

OFFICE OF THE PRESIDENT, GUNDLUPET MUNICIPALITY.

Notification, dated 6th September 1934.

It is hereby notified for the information of the public that the Municipal Council of Gundlupet Town proposes to levy tolls under Section 61 (1) *h* of the new Municipal Regulation, 1933.
